

A good scale is an essential tool in every kitchen.

- Energy saving: auto power-off when not in use
- User-friendly: auto calibration, large LCD display, low battery warning indication, auto zero tracking
- Slim design, transportable and saves space
- Removable platter for easy cleaning and maintenance

**Read Feature:
Retains reading
for 120 seconds**

	Electronic Scale (5kg/1g)
Code	TDR-FEJ5000D
Capacity	5kg
Division	1g
Conversion	kg / g / lb / oz
Platter	Plastic, 145 × 145mm
Size	210 x 145 x H 40mm
Net weight	0.46kg
Power source	AA batteries (Not included) or Power adaptor (9V/100mA) (Include)

	Electronic Scale (6kg/1g)
Code	TDR-FEH6000
Capacity	6kg
Division	1g
Conversion	kg / g / lb / oz
Platter	Stainless Steel, 140 × 165mm
Size	225 x 170 x H 60mm
Net weight	0.69kg
Power source	AA batteries (Not included) or Power adaptor (9V/100mA) (Include)

Accessories

Power Adaptor
(9V / 100mA)
TDR-AD

Caution:

Use the correct adaptor and do not overload!
Spare parts are available.
6 months warranty from the day of purchase on receipt.

• Prices not inclusive of GST

- Energy saving: selectable auto power-off when not in use
- Easy visibility: Large LCD display with selectable green backlight
- User-friendly: Stability indication, auto calibration, low battery warning indication, auto zero tracking
- Liquid bubble level and adjustable feet ensure reading accuracy
- Removable stainless steel platter for easy cleaning and maintenance

Electronic Scale (0.6kg/0.01g) with Adaptor	
Code	TDR-FEH600
Capacity	0.6kg
Division	0.01g
Conversion	g / oz / lb / ozt / dwt / ct / gn
Platter	Stainless Steel, Ø100mm
Size	230 x 170 x H 200mm
Net weight	1.06kg
Power source	AA batteries (not included) or Power adaptor (12V/150mA)
Additional Features & Benefits	- Counting mode in pieces - Removable wind shield ensures reading accuracy and consistency

Electronic Scale (30kg/5g) with Adaptor & Rechargeable Battery

Code	TDR-ACS030
Capacity	30kg
Division	5g
Conversion	kg / g / lb / oz
Platter	Stainless Steel, 255 x 190mm
Size	325 x 285 x H 125mm
Net weight	3.90kg
Power source	Rechargeable battery or Power adaptor (10V/500mA)

Caution:

Use the correct adaptor and do not overload!
Spare parts are available.
6 months warranty from the day of purchase on receipt.
